PROPERTY HISTORY

Building Permit number 1347 was issued in 1975 to build a seminary building at this location. It has functioned under such use from that time until now. In January 2026 a demolition permit was submitted for removal of the existing building, and plans for a new seminary building were submitted. In May 2026, this Project Plan application was submitted to allow the review and construction of a new seminary building.

NEIGHBORHOOD FEEDBACK

No Neighborhood meetings were held on this item.

PROJECT SUMMARY

This project was submitted to build a new seminary building on the same lot where the previous seminary building was located. The new building will have seven classrooms, each expected to hold up to 25 students, and a large administrative office section in the center of the building. The land use will remain unchanged.

STAFF ANALYSIS

Proposed Use

Seminary Building – Religious Activities (6910).

Lot Standards

Required: Area – 10,000 SF, Width – 80 FT, Frontage – 35 FT.

Proposed:

This is an existing lot that meets these requirements. There are no changes proposed that would be affected by these requirements.

Finding: Complies

Setback Requirements

Required: Front – 10 FT, Side – No requirement, Rear – No requirement.

Proposed: Front – 78 FT, Side – 32 FT on East, 25 FT on West, Rear – 5.5 FT.
